

## **Directions to CoreStar International Corporation from Greensburg**

Go Route 30 West to Irwin

Pass the entrance to the PA Turnpike on the right.

At next light make right.

At next light make left onto Pennsylvania Avenue

At next stop sign make a right onto Brush Hill Road

At next stop sign make a right into Westmoreland City Route 993.

At next stop make a left under railroad underpass.

Make first left onto Sandy Hill Road

Go approximately 2 miles until you see PBM and Murrysville Machine on your left

Our building is after Murrysville Machine. The building is a long cement brick building.

Go around back and go through glass doors.
